UNDERSTANDING TRAUMA- USING A TRAUMA FOCUSED APPROACH IN SCHOOLS

What is this training about?

This training focuses on deepening an understanding of trauma. It provides practical advice on how to use trauma focused approaches in schools to promote recovery for children who have experienced trauma and to promote resilience for all children.

Who should attend?

The content of this training is relevant for primary school staff who work with children who may have experienced trauma or need to build resilience or any staff member with an interest in developing their understanding of trauma. The information shared will also be relevant for those who have children from Ukraine enrolled in their schools who may have experienced trauma.

Where is this training?

This training will be hosted by Education Support Centres Ireland (ESCI) and will be presented live via zoom by NEPS Psychologists.
