

# **CREATING EMPOWERED DIGITAL CITIZENS: HELPING YOUR PUPILS NAVIGATE THE ONLINE WORLD**

**JANUARY 27th 3-5pm, Blackrock Education Centre**

An interactive information training session for teaching staff covering:

- how 8-13 year olds engage with the online world
  - creating a positive digital footprint
- cyberbullying & the risks inherent in online activity
  - resources to help you support your pupils

Philip Arneill is Head of Education & Innovation at CyberSafeIreland. He is an educator with over 20 years experience in international education and teacher training.
